## DRIVING DIRECTIONS TO HOTEL FROM AIRPORTS/INTERSTATE

**Baton Rouge Airport to Hotel** – Upon exiting the airport property, take a left onto the main road. At the intersection light, follow directions to Baton Rouge. Upon sight of the skyscrapers, get in your extreme right lane. You will go around a big bend and immediately look for and take the North 9<sup>th</sup> Street exit (exiting to your right). It will curve you to the left to a light at Spanish Town Road. Go through that light to the light at North Street. Take a right on North Street (one-way street heading toward the Mississippi River -- FYI -our office is the 8<sup>th</sup> building on the right – LCTA sign in front yard). **On North, get into your left lane (not the extreme left lane). You will pass 3 stoplights. At the fourth stoplight, turn LEFT**

**on LAFAYETTE STREET (it is a one-way street going south). You will again go through 3 lights, and the hotel will be on your right after the 3rd light.**

**New Orleans Airport to Hotel** – go toward Baton Rouge, head toward downtown Baton Rouge. Once you see the Lafayette/Baton Rouge split, keep going straight and get into the left lane to take the **North Street** exit. This will be a one-way street heading west towards the Mississippi River. Continue the instructions in bold above.

**From East/West to Hotel on interstate** – once you are going over the bridge from the west, take the exit to go to downtown Baton Rouge to your left (the right exit will take you to New Orleans). Once you take that exit, stay in your left lane and look for the **North Street** exit. Stay in your left lane on North Street. Continue the instructions in bold above. **From the east**, just head to downtown Baton Rouge, and take the **North Street** exit, and continue the instructions in bold above.
